### [ DAILY DEVOTION QUESTIONS ]

- (Am 5:1-27)What sins are rebuked in these verses, and what is the one way of escape? What is necessary to make our worship acceptable to God? How did Israel fail? Is our worship in danger of falling under the same judgment?
- (Jnh 3:1-4:11)God is unchangeably consistent in His attitude to men. What moral action is necessary to avoid judgment and find mercy?
- (Mic 4:1-13)A new kingdom of peace and wholeness is to be established. What will characterize the King, and what His subjects? Zion will be besieged and her inhabitants exiled. But what will follow?
- (Mic 6:1-16)What was the substance of the Lord's case against His people? Does God find in us what He has shown to us? Sin brings desolation and social breakdown. Do we recognize and grieve over this sad and modern tale?
- (Ps 85)What does the psalmist pray? Do you have any comparable conviction and concern? In His answer, what blessings does God promise, and to whom? What is the guarantee of fulfillment?
- (Ps 96)What is said in this psalms to show that worship from all creation is the Lord's due? List the reasons why He ought to be worshipped.
- (Ps 97)What aspects of the Lord's character are revealed here, and what are the several effects of this revelation? Do they characterize your reaction in the presence of God?
